

## Index to Volume 42

### A

Accidents, automobile, Chest injuries from, 714  
Acidosis, Diabetic, 1426  
Acute chylous peritonitis, 431  
Adams, Paul, Jr., Anderson, Ray C., Bearman, Jacob E., and Kieffer, Stephen A.: Incidence of congenital heart disease among the offspring of registered nurses in Minnesota, 222  
Adkins, C. D.: Massive bleeding in diverticular disease of the colon, 411  
Aged, Attitudes toward death among the, 399  
Aged, The "detached syndrome" in the, 1069  
Air pollution, 888  
Allman, David B.: Rearmament not disarmament, 28  
Anderson, Ray C., Bearman, Jacob E., Kieffer, Stephen A., and Adams, Paul, Jr.: Incidence of congenital heart disease among the offspring of registered nurses in Minnesota, 222  
Anemia, Congenital hypoplastic, associated with multiple congenital anomalies (Fanconi's syndrome), 1395  
Anticoagulant therapy, Prophylactic value of, in cerebral thrombosis, 1587  
Aortic valve, Congenital heart disease involving the, 1573  
Arteriosclerotic occlusive disease of the femoral artery, An evaluation of the by-pass graft in, 1237  
Arteritis, temporal, Ocular palsy in, Part I, 1258, Part II, 1430, Part III, 1617  
Artery, femoral, arteriosclerotic occlusive disease of the, An evaluation of the by-pass graft in, 1237  
Artery occlusion, bilateral carotid, Psychosis due to, 25  
Arthritis, Gouty, 1044  
Arthritis, Juvenile rheumatoid, 1760  
Attitudes toward death among the aged, 399  
Atypical endometrial hyperplasia in the young woman, 575  
Auto-immunity in thyroid diseases, 1802  
Automobile accidents, Chest injuries from, 714  
Avian tuberculosis, 1399

### American Medical Association

Report on actions of House of Delegates, twelfth clinical meeting, 53  
Résumé of 108th annual meeting, 950

### The Art of Medicine

AMA warns public of food faddism dangers, 62  
Ambulance inspection held, 1290  
Announcing vacation schedules, 1290  
Are doctor public relations in transition? 1114  
Can you suggest a doctor? 955  
Checkup or brushoff? 955  
Commandable move, A, 956  
"Dear doctor" letters express desire for more health information, 281  
Doctors' fees pro and con, 1113  
"Doctor, tell me" is on vacation, 1114  
"Doctor, tell me" coverage at new high, 63  
Doctors' business practices reflect professional public relations, 620  
"Doctor's house call" gets new and more time, 63  
Effective public relations urged to combat government medicine, 760  
Food for future thought, 282  
Good guest speaker relations are important, 955  
Government medicine—a "free" ride? 1463  
Have you heard the new "Doctor, tell me"? 1824  
Health education films, 1646  
High WCCO listenership continues, 1823  
How do you rate? Survey points up how M.D.'s stand with public, 1289  
Human relationships, 282  
In the interest of better press relations, 1289

Is medicine on the right track? 1646  
"It's a matter of choice," 1290  
It's in the book . . . the Medical Directory, that is, 460  
Jaycees for health, 1289  
Listen to your patients, 1645  
Make certain that there is a doctor in the house, 956  
Medical assistants receive public relations training course, 63  
Michigan offers training for medical assistants, 144  
Movie tags medical assistant as "doctor's PR ambassador," 1823  
New TV code bans "men in white," 143  
Offer health materials to PTA groups, 1464  
Office hours, 1290  
Orientation workshop, 281  
Physician interest in education at high school level, 460  
Physicians hold professional leadership improvement forum, 281  
Press-physician survey cited, 143  
Program chairman—here's a tip, 619  
Reading racks installed in drug stores, 956  
Ring, telephone, ring, 759  
Slip of the tongue could be costly, A, 282  
Surveys may help patent medicine hucksters, 143  
Teen group to study alcohol and health, 144  
Want 1959 PR suggestions? Here are a few, 459  
Who, when, where, why and what? 760  
Whom do you know? 62  
Why people resist vaccination efforts, surveys show, 759  
You can help, 63  
You can offer personal and family health records, 619

### B

Baars, Conrad W.: Some aspects of psychiatry in the Netherlands, 92  
Baer, Walter A.: Delivery by cesarean section after Strassmann's operation for a bicornuate uterus, 128

Chest injuries from automobile accidents, 714  
Childbirth after pneumonectomy, 1099  
Children, Varieties of tuberculosis in, 1773  
Child with strabismus, The, 555  
Chlorothiazide, Effect of, on patients with edema of the lower extremities of local origin, 227  
Clapp, H. D.: Use of intravenous Baird's solution in vaginal deliveries and cesarean sections, 20  
Clatworthy, H. William: When to do what in children's surgery, 710  
Clinical evaluation of the transaminase test, A, 414  
Coe, John I., Maslansky, Robert A., and Woodson, Riley D.: Traumatic interventricular septal defect, 1798  
Coli, left-sided pneumonitis, 407

### Clinical Notes

Colitis, Ulcerative, 261  
Colon, Massive bleeding in diverticular disease of the, 411  
Colon, sigmoid, rectum and, Surgery of the lymphatics in cancer of the, 697  
Colon surgery, Review of twenty years of, 5  
Columella, Technique for lengthening the, in cases of repaired bilateral harelip, 1592  
Common ocular trauma, 906  
Community medical assistance plan, A, 115  
Congenital heart disease involving the aortic valve, 1573  
Congenital hypoplastic anemia associated with multiple congenital anomalies (Fanconi's syndrome), 1395  
Courts, Psychiatric services to, 1403  
Coventry, Mark B., and Mitchell, William C.: Osseous injuries in the newborn, 1  
Cruz, Anatolio B., Jensen, Nathan K., Heupel, William, Dahl, James, Garamella, Joseph H., and Berman, Reuben: Congenital heart disease involving the aortic valve, 1573  
Current virus disease problems in Minnesota, 75

### Clinical-Psychosomatic Conference

Ulcerative colitis, 261

### Clinical-Pathological Conference

Pulmonary blastomycosis and meningeal blastomycosis, 46

### Committee Action

Board of Editors, MINNESOTA MEDICINE, 969  
Committee on Hospitals and Medical Education, 798  
Committee on Pulmonary Diseases, 1828

### Communications

Advantages of the American free enterprise system, The, 980  
Association of American Medical Colleges (how many more medical schools?), 1832  
Austria says "Thank you" to unknown American taxpayers, 1475

## INDEX TO VOLUME 42

Beesley, Eugene N. (dismissal of antitrust charges), 1832  
 Briggs, John F., (tuberculosis control in the hospital), 634  
 "Caution," (cleaning fluid for contact lenses), 812  
 Cummins, Hallie (American Association of Medical Assistants), 1475  
 Fishbein, Morris, (congratulations on changes in MINNESOTA MEDICINE), 288  
 Friedell, Gilbert H. (controlled, deep breathing in coronary artery disease), 1312  
 Hartley, H. L. (congratulations on changes in MINNESOTA MEDICINE), 288  
 Heimark, J. J. (The macabre death dance and the long, long sleep), 1474  
 How many more medical schools, 1832  
 Jackson, Alfred J.: MINNESOTA MEDICINE—first, (Jan.) A-67  
 Koontz, Amos R. (encroachment of Veterans Administration Hospitals on private practice), 1312  
 Lynch, Francis W. (A new epidemiological study of cancer), 1648  
 Medicine in Russia, 1475  
 Minnesota Heart Association—heart grants, 1118  
 National Library of Medicine (bibliography on arthropod-borne encephalitis), 1312  
 Pharmaceutical Manufacturers Association (principles of ethical drug promotion), 1832  
 Principles of ethical drug promotion, 1832  
 Recalcitrant unit at Anoka, (Jan.) A-67  
 Rukavina, John G. (chelation therapy in scleroderma), 288  
 Sanford, J. P. (congratulations on changes in MINNESOTA MEDICINE), 634  
 Thomas, J. V. (the tumor registry), 1648  
 Whitehead, Guy, (error in identifying drug), 634

Minnesota State Medical Association Foundation is formed, The, 451  
More social security means a bigger staff, 138  
New definition of disability hearing asked, 1459  
New insurance claim forms simplified, 60  
Now it's prescription insurance, 1642  
People want to choose own doctor, survey shows, 58  
Physicians are targets for income tax checks, 278  
Physician's entertainment expense deductions defined, 278  
Physicians warned to stop abusing insurance, 60  
Problems of aged and aging aired in senate speech, 1820  
Recent medical legislation trends reviewed, 758  
Rural physician survey made in Pennsylvania, 140  
Senator Humphrey is also health bill minded, 450  
Senator Morse attacks organized medicine, 1460  
State of medicine under socialization in England, 138  
These figures speak for themselves, 278  
U.S.-Group Health conduct prepaid mental care experiment, 758  
Unionization of hospital employees in Minnesota may set national pattern, 607  
Who needs a Forand bill? 278

### Medical-Legal Opinions

Granger v. Adson et al, No. 29476 (basic trial case pertaining to the Medical Practice Act), 1825

### Meetings and Announcements

1959 rural medical scholarship winner named, 627  
AMA annual meeting will feature 450 physician speakers, 626  
American Association on Mental Deficiency plans Minneapolis meeting, 1480  
American College of Surgeons, Meetings of the, 1301  
American Orthopsychiatric Association, 1851  
American Urological Association award, 808  
Arthritis and Rheumatism Foundation awards, 806  
Asia-Pacific Academy of Ophthalmology, 1658  
Automobile trauma symposium planned, 1484  
Awards for obstetric papers, 808  
Blue Earth Valley Medical Society, (Jan.) A-50  
Clinics for crippled children, 1480  
Continuation courses, (Jan.) A-52, 286, 470, 1122, 1846  
Course for care of chronically ill patient, 1482  
Course in conduct of labor and delivery, 806  
Course in industrial eye problems, (Jan.) A-52  
Doctors' nurses organize, 1124  
Exhibition of art works by American physicians, 628

DECEMBER, 1959

Eyes in industry course announced, 1652  
Fellowships for study of arthritis and related diseases, 1656  
"Fight alcoholism day" observed, (Jan.) A-52  
Hearing Society announces award competition opening, (Feb.) A-52  
International Academy of Proctology award contest, 1851  
Mayo Clinic annual staff meeting, (Jan.) A-48  
Mayo Clinic reviews dates set, (Jan.) A-48  
(Feb.), A-52  
Medical alumni dinner planned, 1482  
Medical social work scholarships, 286  
Minnesota Academy of Occupational Medicine and Surgery, 1652  
Minnesota Obstetrical and Gynecological Society, (Jan.), A-52  
Monograph prizes offered by the American Academy of Arts and Sciences, 627, 1850  
"NAME" organized, (Jan.), A-54  
National Society for Crippled Children and adults offers grants, 1126  
Neurophysiology research funds available, 627  
New publication, The Journal of Nuclear Medicine, 1656  
New York University Postgraduate Medical School, 284, 1302, 1484  
Northern Minnesota Medical Association, 1300, 1482  
Openings in graduate courses, 628  
Ophthalmology courses offered, 1850  
Pediatric short courses, 470  
Postgraduate courses in diseases of the chest, 1301  
Prize essay contest for medical students announced, 1656  
Program arrangement available to county societies, 284  
Radiation protection motion picture for physicians, 470  
Red River Valley Medical Society, (Jan.) A-50  
Rehabilitation workshop planned, 1482  
Research in prevention of blindness, (Feb.) A-52  
Results of County Medical Society elections: Blue Earth, Clay-Becker, Park Region, Red River Valley, St. Louis and Winona, (Feb.) A-54  
Southern Minnesota Medical Association, 1301  
Submission of bills for services rendered to army military personnel by civilian hospitals and physicians, (Jan.), A-48  
Symposium on diseases of the liver and bile ducts, 628  
TV show about human senses, 1658  
Two fellowships offered in audiology and speech, 274  
University of Nebraska postgraduate course, 1124  
Venereal diseases symposium scheduled, (Feb.) A-52  
World Medical Association tour, 284

### Minnesota State Board of Medical Examiners

Drug addict posing as physician given seven-year prison term, 136  
Hennepin County man given one-year probationary term for representing himself as doctor, 1822  
Minneapolis machinist sentenced to serve three years on abortion charge, 61  
Physician's license suspended for five years for narcotic violations, 451  
Roseau County healer sentenced for basic science violation, 1670  
Student posing as doctor given ninety-day term in St. Paul workhouse, 605  
Unlicensed chiropractor sentenced at Chaska for unlawful sale of drugs, 274

### Minnesota State Medical Association

Guest speakers, 613  
Highlights of actions taken by the House of Delegates, 106th annual meeting, 953  
Preliminary program—106th annual meeting, 443  
Roster, 761  
Scientific exhibits, 616  
Sports events and outings, 617
